

Approval of Minutes from May meeting: \*Motion made and carried

Treasurer's Report: \*Ending balance for acct. #6901 \$547.85

\*Ending balance for acct. #6808 \$3,491.50

Director's Report: \*Band Fee payments should be mailed to:

Marty Clinton  
409 Spring Brook Court  
Joelton, Tn 37080

\*Please make sure and indicate your child's name on the check.

\*Staff is currently working on drills and routines, and band should be at about 87 members.

\*It was discussed and voted that band would attend completion on October 10th, the first Saturday of Fall Break, at Vanderbilt. This will be mandatory.

\*Calendar will be completed within the next week and should be on web-site.

This will include the competition schedule. The band web-site is:

[www.sycamorewareaglesband.com](http://www.sycamorewareaglesband.com).

\*Band students should go to web site to order shoes. The shoes do run small, so keep this in mind when selecting the size. Color Guard shoes will be separately.

\*The best way to reach Mr. Tupper over the summer would be to go to Ask Mr. Tupper on the web-site.

Old Business:

\*Fundraising:

We are selling ads in our football program. Half of each ad will go to the general band fund, the other half will be applied to your child's band fees. You can find the forms and information on the web-site.

We are waiting to hear from H.G. Hill and the bank about having car washes this summer. The monies earned at each car wash will be divided equally among the students who participated that day, and will be applied to their band fees. Holly Wright showed samples and discussed options for items we could sell at the football games. Items included things such as noise-makers, bags, stadium seats and blankets. If you have any suggestions please let us know as soon as possible.

New Business:

\*Those who are interested in assisting with making props, please contact Jeff Wittstruck through the web-site.

\*Those who are interested in assisting with hospitality, please contact Pansy Leech through the web-site.

\*Next Band Booster meeting will be July 23rd.

Motion to Adjourn: Motion carried
